

F-4 MAY BREAK APART.

Wrecked Submarine Cannot Be Raised Intact.

WASHINGTON, June 1.—Near Admiral Moore at Honolulu reported today that the sunken submarine F-4 probably would break up under the present methods of lifting, but he will be able to lift the parts.

Had swells with only short intervals of smooth weather are delaying the work. The boat now lies on its starboard side, nearly upside down.

THREE EX-PRESIDENTS IN UNION TO DEPOSE HAYTIAN GOVERNMENT

Theodore, Zamor and Sam
Form Combination Apparently
Financed Here.

Rumors of an impending new revolution in Hayti, which have been current in this city among men who are familiar with the way West Indian and Central American revolutions are financed and conducted, were confirmed today by passengers and officers of the United Fruit steamer, Mandeville, in port from Kingston, Jamaica.

It appears that three ex-presidents of Hayti, all of whom were deposed by revolutions, have been brought together by some mysterious influence and have now joined hands in preparation for an attempt to overthrow Vilbrun Guillaume, the current President of the Black Republic.

The three ex-presidents are Davidmar Theodore, Oreste Zamor and Sam. Until a few weeks ago all three were refugees in Kingston, each conspiring against the other two. Then soon after the arrival of a steamship from New York and the appearance at the Myrtlebank Hotel of several businesslike Americans, three dark clouds of conspiracy gradually grew together and formed into one.

dent of Hayti began to display money in public. Ex-President Sam disappeared for a time and reappeared mysteriously. A delegation of dusky Haytian diplomats took passage for New York and none of them has returned. Others went to New Orleans.

When the Mandeville left Kingston ex-President Theodore had dropped out of sight and it was reported that he had sailed away for some mysterious rendezvous on a mysterious boat which picked him up in a secluded spot on the Jamaican north coast. It was open gossip in Kingston that a serviceable yacht had been purchased in New York and was being converted into a gunboat at some point in the West Indies. Supplies for the gunboat, it is reported, have been sent from Gulf ports.

Kingston expects an attempt to overthrow the Government of Hayti within a short time will be made. The English officials in Jamaica are taking every precaution to prevent the formation of a revolutionary expedition on the island, but they have their hands full with the war and can't watch everything. Besides, it would appear, the active preparations are being made away from Jamaica by the missing ex-President Theodore.

BRUISED IN AUTO CRASH.

Tearing One Hits Taxi cab in With-
tombway and Six Ave Street.

Mr. Burns was injured at 8 A. M. today when a tearing car owned by Max Sachs, No. 10 East West-street, and driven by Frank Meyer, No. 5 Spring Street, collided with a taxi cab at Bedford and Wiloughby Avenues, Williamsburg.

In the automobile were Max Dow and his wife, Sophie, of No. 30 West Forty-third Street; David Kaiman, No. 1 Second Avenue, and Robert Sterling, No. 15 Suffolk Street. The taxi cab, belonging to the Brooklyn Taxi cab Company, was in charge of Charles Whelan, No. 171 Amity Street, Brooklyn. Both cars were damaged, but the only person who had to be attended by a doctor was Mrs. Dow, who suffered from shock.

UNDERTAKER FINED FOR FIGHT IN MORGUE

Kruger Said He Didn't Like Way
a Body Was Handled
by Attendant.

The story of a fight in the Morgue caused by an attendant's manner of handling a body was told to Magistrate Breen in the Yorkville Court today when James Kruger, an undertaker, of No. 445 West Fifty-seventh Street, was arraigned on a charge of disorderly conduct. Walter J. Burns, who lives in the Municipal Lodging House, and is an attendant at the

Morgue, was the complainant. He appeared in court with his face bandaged.

Kruger said he went to the Morgue on May 31 to embalm a body. He said he saw Burns ripping the clothes from the body of a man that had just been brought in. The undertaker said that Burns was careless in the handling of the body. He protested and a fight followed.

Other attendants finally separated the two and Burns was taken to Bellevue Hospital, where he remained three days getting over his injuries. Kruger was fined \$10.

WOULD-BE SUICIDE HELD.

Real Estate Man Accused Second
Time of Taking Poison.

For the second time within two weeks, Walter A. Strong, forty-five, of No. 125 West One Hundred and Thirty-fifth Street, was today arraigned in the Harlem Police Court on a charge of attempting suicide. On the first occasion, Magistrate Appleton discharged him on his assurance that he did not wish to die. Today Magistrate McQuade held him for trial in \$1,000 bail.

Strong, a real estate man, and his wife went to Miami, Fla., in their motor boat, May 2. At Miami Mrs. Strong disappeared strangely and after a search of two weeks the husband took a dose of 120 grains of chloral. The dose was too large and he recovered. This time, it is charged, he took only thirty grains of the drug, which was too small to produce death.
